# APEGM Foundation Inc. Notes to Financial Statements

## For the Year Ended December 31, 2022

- 1. Nature of the Organization and Summary of Significant Accounting Policies
  - a. Nature of the Organization

The Engineering and Geoscience Education Foundation Inc. ("The Foundation"), formerly known as the APEGM Foundation Inc., was established in 2003 by the Association of Professional Engineers and Geoscientists of the Province of Manitoba (currently operating as Engineers Geoscientists Manitoba). The Foundation is engaged in fundraising to support the education of engineering and geoscience students in Manitoba through financial assistance for capital acquisitions and improvements, development and support of library facilities, and facilitating the establishment of scholarships and bursaries.

The Foundation is a registered charitable organization incorporated under the laws of the Province of Manitoba, and is classified as a private foundation for purposes of the Income Tax Act (Canada).

b. Basis of Accounting

These financial statements are prepared by management in accordance with CPA Canada Handbook – Accounting – Part III – Accounting Standards for Not-For-Profit Organizations.

c. Revenue Recognition

Donation and other revenues are recognized on an accrual basis as earned.

d. Capital Assets

Capital assets are recorded at cost less accumulated amortization in the Statement of Financial Position. Amortization based on the estimated useful life of the asset is calculated as follows with half of the applicable rate applied in the year of acquisition:

Computer software: 30% declining balance

e. Use of Estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make

estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual amounts could differ from those estimates.

### 2. Endowment Funds

An endowment fund is an established fund of cash, securities, or other assets set aside for perpetuity by a foundation to ensure the long-term financial health of the non-profit organization and its beneficiaries. The Foundation has established two endowment funds to date. The first, established in 2013, is an unrestricted endowment fund with The Winnipeg Foundation. "The Engineering and Geoscience Education Foundation Inc. Fund" was established to provide the Foundation with a vehicle to provide the Foundation with long-term stable funding for its operations; plus, an opportunity to grow its resources to support future programs.

# Engineering and Geoscience Education Foundation Inc. Fund Endowment Fund with The Winnipeg Foundation

The Spending Policy Allocation payable for 2023 is \$9,489.00

A second endowment was established with the University of Manitoba in 2014. This endowment, established with \$100,000 from the APEGM Foundation, and a matching grant of \$100,000 from The Manitoba Scholarship and Bursary Initiative, provides bursaries to support qualified students in the Price Faculty of Engineering's Internationally Educated Engineers Qualification (IEEQ) Program.

In 2016, the endowment provided bursaries totalling \$6,625 to ten IEEQ students. In 2017, the program provided five IEEQ students with bursaries totalling \$8,200. In 2018, the program provided nine IEEQ students with bursaries totalling \$8,800. In 2019, the program provided nine IEEQ students with bursaries totalling \$9,225. In 2020, the program provided ten IEEQ students with bursaries totalling \$10,000. In 2021, the program provided ten IEEQ students with bursaries totalling \$10,000. In 2022, the program provided IEEQ students with bursaries totalling \$6,875.

The spending allocation available for the 2022/23 year is \$10,356.53.

As of March 31, 2022, the endowment had a Principal Market Value of \$239,609.04.

| Net Unrestricted        |             |               |               |                | \$1,375.21  |
|                         | \$22,522.78 | \$19,105.78   | \$3,417.00    |                | \$45,735.01 |

Please note: The Engineering and Geoscience negative Expenses consist of the allocation of the balance (\$75,802) of the Engineers Geoscientists Manitoba \$250,000 donation that has not already been disbursed on projects, from the Unrestricted Surplus Reserve to the Engineering and Geoscience reserves – \$65,802 has been allocated to Engineering and \$10,000 to Geoscience to support future projects. The negative amounts for the Pauley Matching and UM Eng Bursary record prior year fund allocation adjustments.
